BUSINESS FROM THE CLERK

a) David Dickey/34' Variance in Setback from the Centerline of 205th Avenue for a Detached Garage – David Dickey appeared before the Board to request a variance for the construction of a detached garage in the same spot a garage was previously located. The new garage would not be any closer to 205th Avenue than any of the other buildings on the property or neighboring properties. It would be very difficult to build the garage farther back due to the slope of the lot and many mature trees that would have to be removed. There was discussion regarding drainage in the area and any impact constructing a garage would have on the neighboring properties. The existing ditch will be sufficient to handle the drainage; and, the closest neighbor has already advised he is in favor of the garage construction and fill being brought in. Supervisor Alfords motioned to recommend approval of the 34' variance request as presented. Supervisor Aubol seconded. All were in favor.

b) Patrick Wandersee/IUP for Activity Requiring Rural Isolation/Fireworks Storage Magazine – Patrick Wandersee appeared before the Board to request approval to store fireworks on his property for the Northern Lighter Pyrotechnic group. The storage containers would be two (2) 10'x48' shipping containers. When placed exactly next to each other, they are considered one storage unit according to Mr. Wandersee. Mr. Wandersee advised several time of the strict regulations set by the State and Federal Government which monitors and regulates the storage of fireworks. Mr. Wandersee advised his property abuts the City of Big Lake, city limits. The Town Board advised him he should contact the City of Big Lake, as a courtesy, to let them know his plans. It was noted the City should be receiving notice of the public hearing from Sherburne County; but, a call directly from Mr. Wandersee would be appropriate. Supervisor Pflughhaar motioned to recommend approval of the IUP request as presented. Supervisor Aubol seconded. All were in favor.

c) Other-Updates-Meetings – Clerk Hayes advised the Board the Sherburne County Association of Townships Meeting will be October 15 at Baldwin Town Hall; supper will be served at 6:30, meeting at 7:00 p.m.
